

PSA Cancer

- Pick a specific type of cancer to research to make **ONE** PowerPoint Presentation slide.
- Once you have chosen a type of cancer...stick to it!
- I have provided websites below for you to gather information regarding the cancer you choose to research.
- Gather the following information:
 - Causes
 - Risk factors
 - Symptoms
 - Signs and Tests
 - Treatment(s)
 - Prevention
- Make a Public Service Announcement Flyer
 - Names
 - Cancer type
 - Information collected above
 - You may add an image!

Optional Resources:

- www.cancer.org

This resource will allow you to look at various types of cancers and their descriptions. After reading about the various kinds of cancers, pick a cancer to research. Do not use this website exclusively for answering questions about your cancer choice.

- www.medicinenet.com

Once you have chosen a type of cancer, this is a good website to search

- <http://www.cancer.net/>

Oncologist approved cancer information
